

Community Education:

The Communications Office will:

1. Coordinate with the departments to include the Fire Department to use all available media resources to disseminate information to the Community concerning this plan and general information concerning individual responsibilities in an emergency.
2. Publicize, on a recurring basis, the information contained in Annexes 22 and 23 of this plan.
3. Prepare a monthly item on Emergency Preparedness to be published in the City Newsletter.
4. Prepare a monthly item on Emergency Preparedness to be aired on Channel 13.
5. Consider including a regular spot on Emergency Preparedness to the Snapshots Program.
